Technical configuration

☒ Castor

4pcs

Material general

Powder coated steel base and column.
With wheels feature a low profile design that accommodates most of today's hospital beds. The rounded corners and limited exposed parts make the hospital overbed tables easy to clean and maintain to satisfy infection control protocols.

Countertop structure

Multi-layer solid wood board table top, PVC wrapped edge, table plate can be tilted, the table top with a prevent strip, prevent things from falling.

Height Adjustment

Aluminum alloy air spring adjustable height, handle control.

"U" type table base

U type base is made of powder coated steel, can be used in combination with bedside cabinets.

Superior casters

Easy to install, more stable and firmer, with brake.
