NURSING TROLLEY

SAIKANG/Medical

Healthier
your life

SKR058-NT

FEATURES AND HIGHLIGHTS

Material

The ABS material is an innovative engineering plastic. Antibacterial, moisture-proof, anti-corrosion, wear-resistant, non-toxic and tasteless, never rust. Washable, easy cleaning.

Design

The overall design and production are exquisite, the styling and color matching are reasonable, installation is simple, and the structure is stable and durable.

Drawer

Seven-layer drawer design with small compartments in the middle, can accommodate multiple types of items, with powerful classification and easy and convenient access to items.

Drawer compartment

The interior of the drawer is equipped with transparent acrylic classified medicine grids, which can be used for classifying and placing first aid medicines. The medicine grids can be freely combined.

Technical parameters

- Cart dimensions: 630×600×1000/1100±10 mm
- Worktop dimensions: 460×500±10 mm
- Drawer panel height:
 - 2 small drawers: 80±5 mm
 - 1 large drawer: 250±5 mm
- Medicine box panel height: 70±5 mm
- Casters: 5-inch, 2 with brakes

Technical configuration

- ☑ Main frame: steel-aluminum load-bearing structure
- ☑ Material: ABS + HDPE
- ☑ Central control lock
- ☑ Drawers & medicine boxes:
 - 3 layers of drawers with buffer slides and internal partition pieces
 - 2 groups (8 total) medicine boxes, slide-free, easy to take out
- ☑ Right side: hidden pull-out writing board

Accessories

Drawer slide

The drawer uses high-strength three-section silent damping slides. When the drawer is closed to the final distance, hydraulic pressure is used to slow down the speed and reduce the impact force.

Working table

The trolley is equipped with a collapsible working table, which can be used for writing;
Work board size: 460×500mm;

Sealed handle

The trolley is equipped with a sealed handle, which can lock five drawers at the same time.

Caster

At the bottom, it uses two 5-inch silent brake, anti-winding, high-end, silent casters, allowing for flexible movement and a high load-bearing capacity.
